Summer Ends, Fall Brings Excitement, Laughter, Yearly Activities

As the school year begins, students fill the barren halls of summer. The rooms which were quiet in the summer are now filled with the business of noise and laughter and of who is doing what and going where. As fall comes upon us the excitement of football begins and soon followed by many more activities. As the year quickly speeds by football is replaced by basketball, speech tournaments, vocational contests, and classroom projects that brighten dreary winter weather. The first signs of spring mean Junior Miss practice, baseball, banquets, and end of school activities which echo "Where did the year go?"

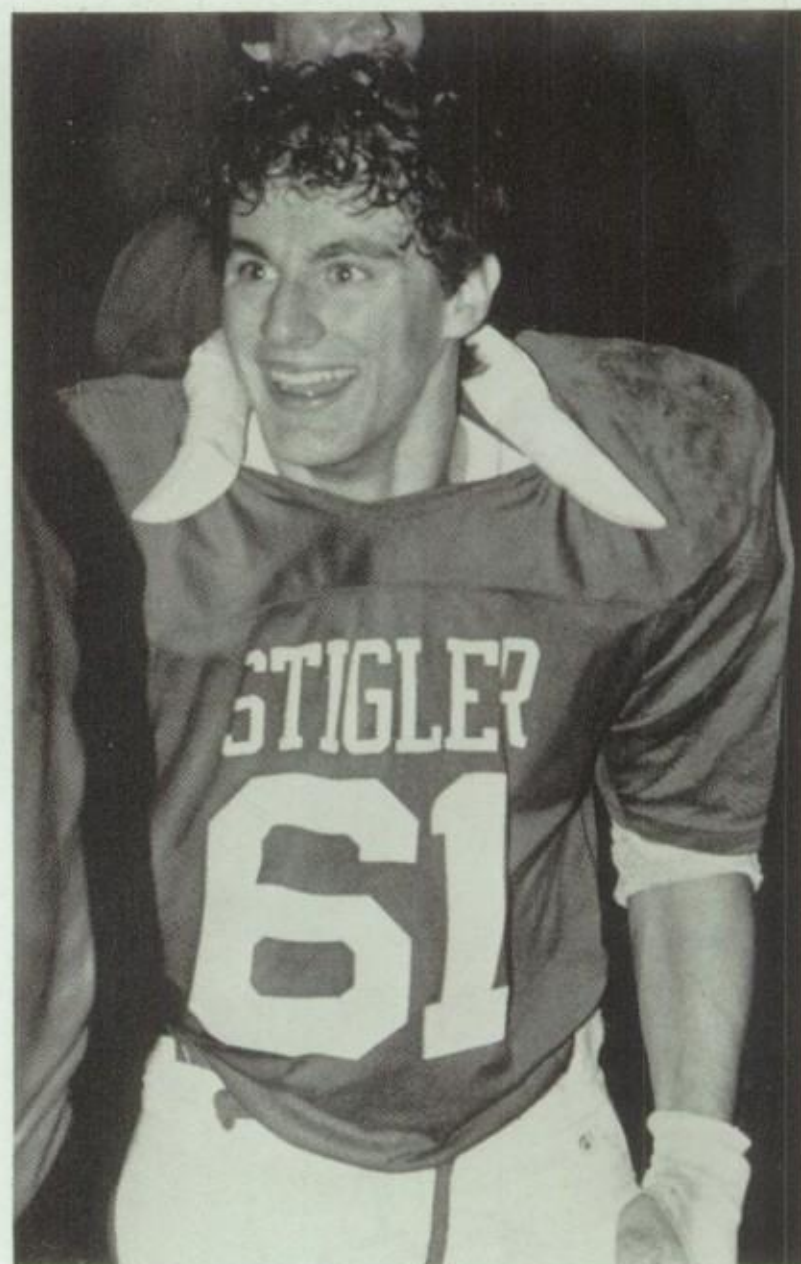

(Clockwise) Jennifer Pruner enthusiastically directs the band at the football homecoming ceremony. Willard Francis goes up for a shot during a Hartshorne basketball game. A carpentry student demonstrates the art of carving wood.

(Clockwise) Junior Miss contestants await the announcement of the winner. Mike Bender plays at a pep assembly. Stoney Oldham anticipates the outcome of a football game.

The pride and spirit of the SHS students was reflected throughout the 1984-85 year in the pep assemblies and at the games. The student body pulled together to cheer the teams on to a very successful seasons. This enthusiasm in all activities made this one of the best years ever!

Spring fever hit SHS campus early this year. By March students were already daydreaming of ways to escape from the classroom. Luckily many were so involved in spring activities there wasn't too much time to indulge in "escape tactics." By May, looking forward to the summer will have become a favorite pastime.

(Clockwise) Shellie Scott, Karla Barlow, and Kelly Shipley jog to the city lake for exercise. A common site at noon: SHS students relax before class. The Stigler track team rest after a long run. Student Senate Sponsors Spirit Trophy

The 1984-85 Student Senate, consisting of eighteen representatives and five officers, meet every Wednesday to plan activities and review any problems in school policy that might arise. Mr. Bill Wilson, high school principal and sponsor, has been instrumental in planning the criteria each class must meet to win the annual Spirit Trophy. Classes accumulate points for attendance, scholastic achievement, involvement in extra-curricular activities, Spirit Chain Contest, and the spring softball game. The winning class enjoys a free day from school.

The Student Senate has been very involved in promoting school dances (Homecoming, Halloween, Valentine's Day, and St. Patrick's Day), sponsoring school assemblies, computer match-up, and the concession stand for the district one-act play. Also, the Stigler organization served as District President, and attended the summer workshop at Tahlequah and the state convention at Stillwater.

Some of the fondest memories of the class of 1985 are the ones in which we grew together to become one close unit.

Graduation slowly came upon us and our time together became less and numbered. For some, graduation meant the end of high school; for others, it was just the beginning of a wonderful life ahead.

There were times when we all gathered together for a celebration or just to reminiscence of years before.

But as all good things must come to an end so did the 1985 school year. Although everyone in the class of 1985 went their separate ways, they will always be together in heart and mind.

Here is our farewell to each of you from the class of 1985.
